OVERVIEW

- Super lightweight and flexible premium specification zip side coldstore rigger boot.
- S3 composite toecap and midsole.
- Thinsulate™ B600 thermal lining CI certified to -40c, with unique Fursulate lining for enhanced thermal properties.
- The quick release side zip has a bellowed lining to prevent cold air entering.
- Breathable mid-lining.
- Rubber bump cap.
- The solid nitrile rubber outsole will prevent the boots from cracking at low temperatures, and the boots benefit from the highest SRC slip resistance available in Europe.
