Looking for warmth? This is the jacket for you!

Flying the flag as FlexiTog's warmest jacket, the X33J has two layers of insulation to keep the warmth close to your body. The jacket is elasticated at the back to minimise air loss, and has a tall faux fur collar providing a quality and comfortable experience.

Durability

Hardwearing, colourfast FlexiTog HTY2 fabric ensures you will have a friend for life! To maximise longevity, dark coloured fabrics are used across the front of the body and lower arms.

Comfort

Featuring an elasticated back and a seamless shoulder design for an extremely comfortable fit.

Use with **X33S** or **X33T**

Sizes: **XS - 6XL** | Order Code: **X33J**

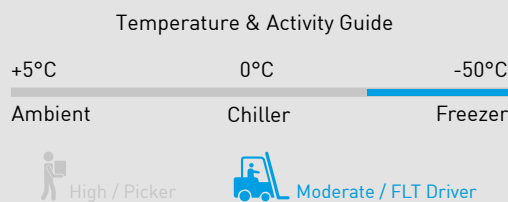

220g fabric • Lower back • High fur-lined Collar • Nylon Cuffs • Built in Hi-Viz • Anti rot thread • Zip gusset • No.8 nylon coil zipper to BS3084 rating

Typical Application

Typically used by drivers who work in the deep freeze. This jacket is perfectly suited to lower activity job roles due to the dual layers of insulation.
