

CLASSIC COLD STORE COVERALL

For those that prefer an all-in-one solution, the X28C coverall provides great flexibility and movement as well as optimum warmth for even better comfort in cold environments

Clo[®]
Insulation

FLEXEASY

Durable Design

Using darker HTTY fabric in high wear areas for resistance to stains and a yellow seam protector for visibility and to protect the seams from damage.

Comfort

Complete body protection utilising stretch gussets and a precurved leg design.

Warmth

Clo Insulation provides great comfort and warmth whilst being incredibly lightweight and non-bulky.

Sizes: **XS - 4XL** | Order Code: **X28C**

High fleece collar • Anti-rot thread • Built in bright yellow fabric for increased safety and visibility • Loop for radio holder • Knee pad pockets

Typical Application

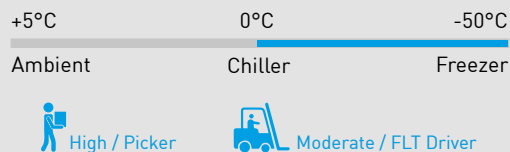

For protection from extreme cold in deep freeze cold store environments. The coverall is a practical option for a complete kit.
