

ICE DIAMOND LINER 502/504

Extra boot liner for the Ice Diamond ID501 & ID503

Warmth & Comfort
Sherpa fleece lining traps more air to increase warmth”.

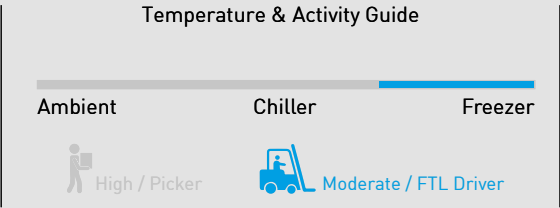

Hygienic
The removable liner means during breaks the operator can swap their liners out for a dry pair before the next shift benefitting foot hygiene dramatically and also promoting the longevity of the boot.

Sizes: **7/8 - 9/10 - 11/12 (dual sizes)** | Order Code: **ID502 / ID504**
• Sherpa lining • Dual sizes • Heel grip

Typical Application

To be used with the Ice Diamond boot collection as an internal liner for extra warmth and comfort.
