

## ENDURANCE 690C

The toughest and most durable cold store glove! The Endurance glove features unique technology that makes the durability, dexterity and warmth of this glove unrivalled.

**Grip**  
The UG Grips on the fingers provide precise and secure grip when undertaking tasks that require more dexterity, such as writing.

**Durability**  
Using Endurance waterproof Kevlar® fabric, UG grips and a dual layer of cow hide leather on the palm means these gloves have around four times as long a lifetime as a standard leather freezer glove, depending on the application.

**Warmth**  
Clo Insulation offers superior warmth, breathability and a high warmth to weight ratio which is perfect for freezer picking gloves.
