

EIDER 645

Full leather fingers and palm with a Taslon backing for extreme warmth and great flexibility

Clo[®]
Insulation

Windproof and water repellent

Water repellent taslon back which also provides protection from the wind, great for FLT drivers.

Our warmest glove

Using Clo Insulation for superior warmth and breathability. This glove was tested alongside ten of the most popular European freezer gloves and remained warmest for the duration of the test.

Flexible

Goat leather palm and taslon back for greater flexibility combined with a pre-curved ergonomic 'ski' design.

Sizes: **S - XL** | Order Code: **FG645** | Qty: **Pack(1) Box (60)**

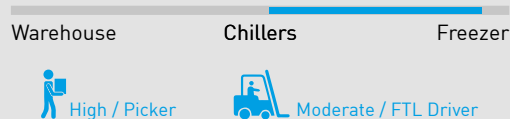

Extra long knitted wrist - added warmth and wrist protection • Dual stitching - strength on the weaker areas • Elasticated cuffs • Artery guard - added protection from cuts and damage

Typical Application

A glove suited to those working in the cold store who prefer a high level of warmth. The Clo Insulation makes this the perfect option for FLT or pallet truck operators.
