

ARCTIC GRIP 640

Very flexible for active work in harsh conditions

Goat leather palm
Greater flexibility and durability.

Extreme flexibility
Lightweight padding and a goat leather palm combined with a pre-curved design for greater flexibility.

Warmth
Hollowfibre insulation traps more air for better warmth without extra bulk warmth.

Sizes: **S - XL** | Order Code: **FG640** | Qty: **Pack (6) Box (60)**

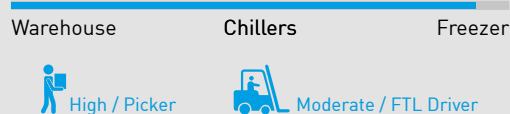

Artery Guard • Extra Long knitted wrist - added warmth and wrist protection • Dual stitching - strength on the weaker areas • Elasticated cuffs

Typical Application

A great glove across all applications in the cold store, this glove has an excellent warmth to weight ratio.
